

Get free support for health and life!

If you have complex medical or social needs, Enhanced Care Management (ECM) will help you get personalized support – for free!

ECM is available to those with Medi-Cal, including:

- ✓ People with chronic conditions
- ✓ Pregnant women with high medical risks
- ✓ The homeless or those at risk of losing housing
- ✓ Individuals with serious mental health conditions or addiction
- ✓ Frequent visitors of emergency departments

What is Provided:

- ✓ Personal health coordinator
- ✓ Assistance with doctors, medications, and housing
- ✓ Support in complex situations

ECM is more than just healthcare! We help you live better.
