HAFIZULLAH MOHAMMADI MESSAGE

MARKETING DIRECTOR

Dear Colleagues, Partners, and Community Members, As we welcome a new season of growth, the Marketing Department at MISI is proud to share the progress we have made and the exciting journey we continue to build together.

Over the past months, our team has worked hard to amplify MISI's voice, highlight the vital services we offer from Housing Navigation and Enhanced Care Management to Health and Community Support and strengthen our connection with the communities we serve.

Through new outreach campaigns, partnerships, digital storytelling, and community events, we have been able to share our mission more widely than ever before.

Our name and brand are now becoming widely recognized across Greater Sacramento among other companies which is one of the biggest achievements.

Behind these efforts is a passionate and talented marketing team, supported by the incredible work of every department at MISI. Together, we have achieved important milestones but we know our work is just beginning.

We are committed to continuously improving, finding new ways to reach those in need, and making sure every individual feels seen, supported, and empowered.

Thank you for standing with us and believing in the work we do.

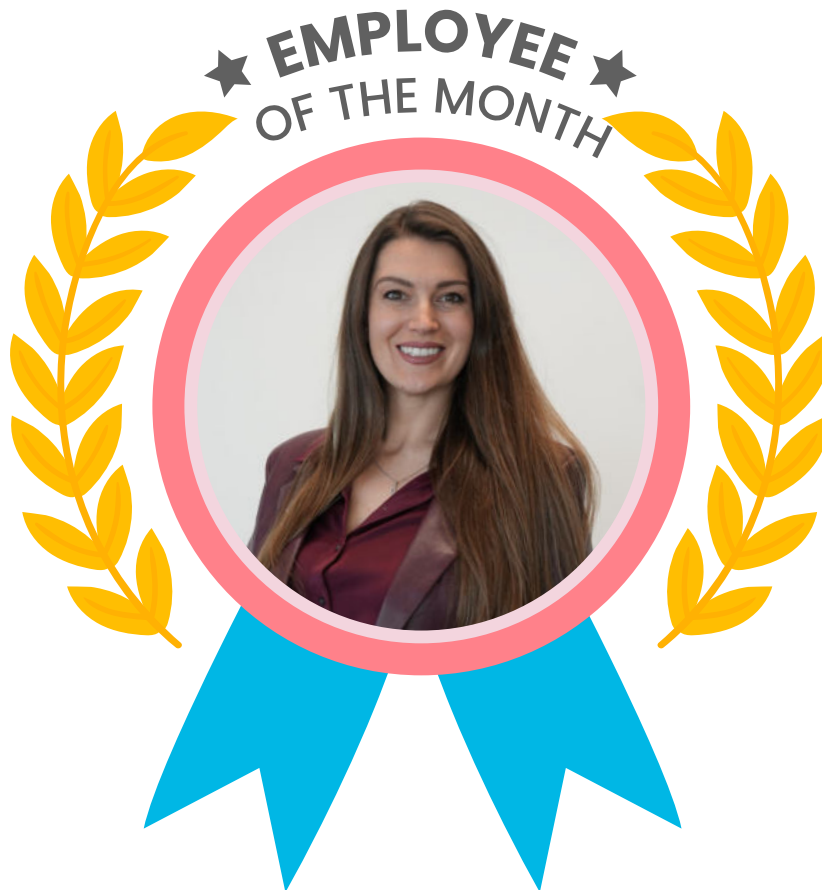

We know there is always room for improvement, and we are committed to enhancing our marketing efforts on a daily basis, showcasing the incredible work of our team and how we support communities in need. At MISI, our goal is to continue expanding our services to other cities and counties in the future, and we in the Marketing Department are fully dedicated to fulfilling this vision. With your continued support, the best is yet to come.

Thank you to everyone who is in the network of this organization. Starting with the one who had the idea to create such help for people. Your work is invaluable. You are the ones who hold our world together. A deep bow to every investor and every operator with whom I spoke. Very attentive, responsive and incredibly kind people have gathered together and are giving warmth and light to those who are in great need of it at the moment. You are doing the most important thing. God bless you. Thank you.

Thanks to Vladimir and the team of misi for support at all stages. From the beginning of the search for housing, communication with the landlord, to the conclusion of the contract. They were always in touch with me and provided consultations.

Thank you so much for helping the MISI Deposit Assistance Program! It's just a miracle! Our navigator, Maria, not only helped us get funds for a month's apartment rent + deposit, but also helped us make a list and get furniture and everything necessary for life for free. Thank you very much for your help!

I'd like to leave a review. We applied for relocation through the program, and Volodymyr was our navigator. I want to say a huge thank you to him and the company – everything was clear, they were always in touch, and responded to all my calls and requests. If you haven't used this program yet, I highly recommend it! With a team like this, everything will definitely work out!
